WACKADOO ZOO WRAP UP

Thank you to everyone for the great attendance at last week's musical performances! I hope you enjoyed all of the performances, as much as I did. I am always amazed at what our children are able to accomplish on stage. It is a joy to see them progress from year to year. Thank you again to all of the individuals that helped out in so many ways. Your support of our school is wonderful and much appreciated by our entire faculty members!

One final thank you....THANK YOU students for the wonderful bouquet of roses. They have been opening up all week and brightening up my living room with their beauty. I also very much appreciate the gift cards. It will be a fun treat to go shopping and use those Kohls cards. God bless each and every one of you! May you always use your talents in God pleasing ways, and let them shine out to others.

3rd and 4th Grade Notes from Miss Wordell

The students in our room won the lower grade coin war. We enjoyed ice cream sundaes this week as our victory celebration! Mmmmm, mmmmm!

The students have started working on memorizing the multiplication facts. Each day we have been reviewing multiples of 1, 4, and 7. Soon we will add more multiples. Our goal is to have the facts memorized by early May. Most of the 4th grade students have already "tested out" of this review.

Students can begin learning the Midwest state capital cities. We are beginning that unit in our Social Studies book.

This week, we have focused on the Holy Week lessons in Christ-Light. What a treasure God has given us through Jesus our Savior. What a comfort to know we will have a reunion with all believers in Heaven someday! Have a wonderful Easter celebration knowing that we too will rise, just like Jesus!

7th & 8th Grade Notes from Mr. Menk

Students should be working ahead on their **April book report** as we will be writing research papers throughout the month. Much time will be needed on this research project so getting the book report done over Easter vacation would be a great idea. April's book report is Realistic Fiction and is due on April 19th.

All students need to have a **Manitowoc Library card** for their research project. We will be going to the library as a class right after Easter vacation. Getting a library card costs nothing but a parent with current ID, parent's signature, and a few minutes of time filling out a simple form. Please take care of this as soon as possible.

All students playing in the **Easter Day band** need to meet at church by 8:30 a.m. so we can practice with the organist before the service. Thank you in advance for your cooperation.

7th & 8th Grade Notes from Mr. Leckwee

Enjoy the Easter Break. I pray that the time spent focusing on our Saviors Passion for us will help rejuvenate us and help us finish up the last few weeks of school.
