

Usher Help List: The following pointers should help provide a smooth and comfortable start.

1. Report to the Head Usher of your group 10 or 15 minutes prior to the start of the service.
2. Please be responsible in your church attire. A dress shirt and long pants are acceptable when reporting for usher duties.
3. The head usher will hand you a collection basket and indicate which aisle to collect.
4. Be sure to count all persons of every age in the pew you pass the basket. Always watch the other usher collecting so your baskets do not cross.
5. Bring your basket to head usher so all collections are combined into one and tell him of your count.
6. If you are ushering upstairs, you are expected to ring the bells prior to the start of the service, which is after the organist stops playing.
7. When you receive your updated usher list, please look for your assignments. If for some reason you cannot usher, please call the head usher of your group.
8. If you have any questions, please ask one of the other ushers for their opinion.

Thanks again for being a volunteer in the Lord's House.
